

2021 Product Lineup

Flooring Made Simple

Flooring Made Simple

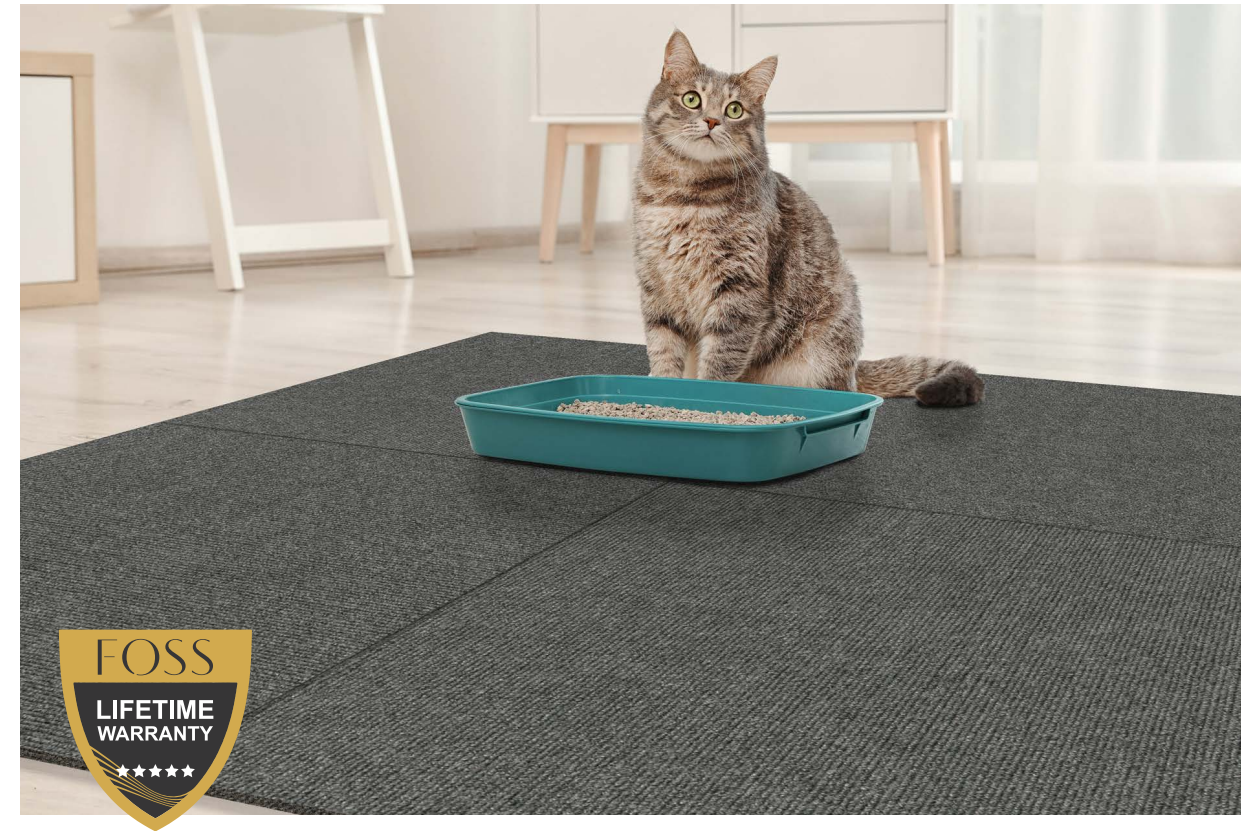

At Foss Floors, we design innovative and affordable flooring solutions for everyone. Our carpet products are easy to install as well as durable for the home, business, and the great outdoors. Best of all, every product is made of 100% recycled materials in the USA.

 **DIY** your own design with only a pair of scissors

Foss diverts over 3 billion plastic drinking bottles from landfills, rivers and oceans each year

Lifetime Warranty

Carpet tiles available in assorted styles. Beautifully strong, simply installed, and forever guaranteed.
